

## Masks used and recommended by Pinewoods families:

[Cotton masks for kids with wire nose and adjustable ear loops](#)

[Cotton masks for kids with elastic loop \(keeps them off the ground, etc.\)](#)

[Cotton masks and lanyards](#)

[Disposable KN95 masks for children](#)

[Disposable KF94 masks for children](#)

[Disposable filters that can be cut to size and added to existing cloth masks](#)

\*We strongly recommend sending your child(ren) to school with a [lanyard for their mask](#), so it doesn't end up on the floor, on the ground outside, or on their table when eating or drinking.

\*Consider a 3D mask or a mask with a seam down the middle. This helps keep the fabric away from and out of your child's mouth, and is more comfortable for some.

\*Please be sure to label your child(ren)'s masks.

## Current guidance for mask-wearing:

[The AAP's Mask Guidance for Children](#)

[The CDC's Guide to Masks for Children:](#)

<p>If you are not fully vaccinated and aged 2 or older, you should wear a mask in indoor public places.</p> 	<p>Find a mask that is made for children to help ensure proper fit.</p>  <p>Check to be sure the mask fits snugly over the nose and mouth and under the chin and</p>	<p>Do NOT put on a child younger than 2 years old.</p> 
---	---	--

	that there are no gaps around the sides.	
--	--	--

**Having trouble getting your child to wear a mask consistently? Please reach out so that we can partner with you!**
